A dog and a donkey carrying a basket of bread were going together on a long journey. After they had travelled for some time, they became very hungry and the ass began to eat grass that grew by the road side. The dog who could not eat grass, begged for a piece of bread from the basket on the donkey's back, but the donkey did not grant the request. Soon afterwards, a wolf was seen coming towards them. The ass trembling with great fear begged the dog to stand by him. But the dog did not. He said that those who eat alone must fight alone. With these words the dog went on his journey and left the ass to be devoured by the wolf.
